

# BIRDBUFFER®

Invisible Protection... Visible Results.®

Patent No. 7334745

**Non Toxic / Eco Friendly  
Bird Control**

## DRY VAPOR TECHNOLOGY

Grape scented invisible vapor leaves no residue.

## QUIET

Easy to operate automated system.

## TIMED CONTROL

To repel birds when they are most active.

## CUSTOM FINISH

High quality powder coating.

## SAFE AND EFFECTIVE

Secure lock hatch for bird control fluid.

### GREAT FOR REPELLING PEST BIRDS FROM:

- GARAGE AREAS
- STAIRWELLS
- ATTIC SPACES
- UNDER AWNINGS
- COVERED PAVILLION / DINING AREAS

The BirdBuffer QT is the easy, affordable, effective solution to rid you of pest bird problems.

One quart of grape scented bird control solution is converted into one month's supply of ultra-small particle bird control vapor made by the BirdBuffer QT.

Protect areas as large as 5,000-10,000 square feet automatically.

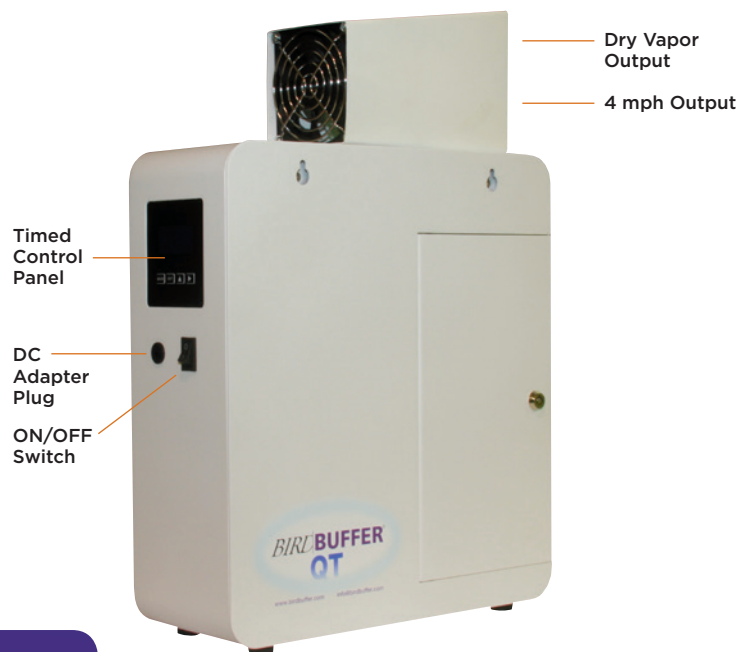

Effective on crows, pigeons, grackles, starlings, sparrows and most pest birds that fly.

# HOW IT WORKS

BirdBuffer® controls flying birds in open spaces by dispersing a safe, invisible vapor, using 20% Avian Control® Fluid (Methyl Anthranilate, or MA) or 40% Eco Bird® Fluid. This vapor is released at 4 mph, irritates the birds' eyes and mucous membranes without risk to their health or the health of nearby people. For the BirdBuffer® QT to be effective, the birds must be exposed to the vapor by flying through the affected area. After several returns, the birds learn that the vapor is in the area and find a different location for permanent roosting. The BirdBuffer® QT is effective on grackles, pigeons, starlings, crows, seagulls and other flying birds. Smaller birds such as sparrows respond slower and may require additional stimulation, such as a BirdBuffer® TF or TR Kit, to activate them to fly more.

## BIRDBUFFER QT SPECS

The BIRDBUFFER® QT developed and patented by BIRDBUFFER® Everett, WA USA  
P/N 800041 120vac (With 12vdc Adapter)

Weight	12 lbs (5.4kg)
Shipping Weight	15 lbs (6.8kg)
Size	11.25" x 4.5" x 17" (285 x 115 x 432mm)
Shipping Box Size	15" x 8" x 20" (381 x 203 x 508mm)
Outlet Size	2.25" x 2.25" (57 x 57mm)
Fluid	*Avian Control® <b>or</b> EcoBird® Fluid (DO NOT MIX!)
Scent/Color/time	Grape like scent, even, transparent, long-lasting
Fluid Consumption	1 qt. or 1000ml per 30 days
Output Speed	4 mph velocity
Warm Up Time	None
Operating Temperature	35°F - 104°F
Continuous Vapor	9 Timer Settings Available
Duration Indoors	Vapor lasts 2 - 3 hours
Area Coverage	Approximately 5,000 - 10,000 Sq. Ft. (465 - 930 m <sup>2</sup> )
On/Off Cycle Control	Included: See Adjustment Table Page 10
24 hr. Timer	Included: Preset
Electrical Supply	12vdc power adapter for 120vac outlet
Limited Warranty	One year limited warranty on tank and compressor, 90 days on electrical components
Accessories Included	1 x 12vdc power adapter
Fluid	Avian Control® is a registered trademark of Avian Enterprises LLC. EcoBird® is a registered trademark of Roth Chemical, Inc.
